Description: Formal landscape includes circular drive to east (land) entry of house, with short lawn inside drive, and plantings of winter-blooming shrubs (camellias, azaleas) among live oak trees at either side of drive. North of house is parking court with garage. A wall separates it from the lawn at west (water) facade. The lawn extends from the house to the edge of the water.

Alterations: Alteration date: Integrity: excellent good fair poor Other...

Historical Data: Landscape and formal garden designed by Umberto Innocenti, probably at the same time the house was built.
